We utilized PartyWorks for our children's After Grad which ran from midnight to 4am. Kevin's previous experience in organizing events like this was very helpful as first time planners of a function like this. The students really enjoyed the blow-up games with the Adrenaline being the most popular. The staff arrived early on event night to ensure they had sufficient set-up time. They were efficient, friendly and flexible for last minute changes. We would gladly recommend them

The three men your company sent were really fantastic. They did an amazing job and worked with us on some of the difficulties. They were polite, and hard working. If they represent the caliber of people you hire, then you have an amazing organization. I would highly recommend Partyworks to any one looking for a good time!

I just wanted to thank you and make sure you pass along my appreciation to your team, they were amazing! It was a huge success and your people went beyond expectations and helped me make sure kids didn't go out the doors we kept open to try to keep the place cool. I hope to be in a position to book your services again.

We had a dry grad celebration for 100 kids. Vancouver PartyWorks supplied the activities and entertainment. They were awesome. They worked with us and made suggestions on our budget and needs. They were very easy to work with and were very flexible with our indecisiveness. Kevin came out to our party site before hand to make sure there were no surprises the night of our event, the guys that worked the event were kind and helpful. If we had to do it again we would definitely use Vancouver Party Works.

I would like to express my thanks to your set up crew who arrived with time to spare and were extremely efficient and helpful. The person in charge should be congratulated on an excellent job. He is friendly, polite and despite a couple issues always remained positive and upbeat. I would be grateful if you could pass on these comments to him and his team. He is a credit to your company and I hope that we have the pleasure of working with him next year again.

Thank you for all your help to plan and finally put on our grad event. Partyworks staff were efficient, prompt and friendly during set up and take down. They interacted so nicely with the students. All grads that played the games clearly had a really terrific time. For those that had never played before, the dealers were very patient in explaining the rules. A really wonderful evening. We would recommend Partyworks for sure.

I really was impressed with the group that you sent out they were all great to deal with. I really liked the dance floor and once I think the kids found it they enjoyed it as well. They loved the Tattoos your girl must have been exhausted she was busy from start to finish. I must say its been a pleasure working with you.
